

General Contract and Travel Conditions for bookings made through www.valsurses.ch or call-center of Tourismus Savognin Bivio Albula AG

1. What these general contract and travel conditions regulate

- 1.1. Tourismus Savognin Bivio Albula AG (Hereinafter referred to as TSBA AG) operates a reservation-system with a call-center and on shop.valsurses.ch an Internet portal that facilitates the online booking of tourism-related products and services. TSBA AG has been authorised and commissioned by the VENDORS to provide services on their behalf and for their account. VENDORS are for example hotels, accommodation providers, transport companies, etc. For package holidays, the regional tourism organisations or TSBA AG itself may also be the VENDOR. The VENDOR is your contractor and is listed by name in the offers published on the website and in the travel documents. All services are hereinafter designated as TRIPS.
- 1.2. When making a booking (closing a contract) the contract is concluded directly between you and the VENDOR selected by you.
- 1.3. These general contract and travel conditions govern the legal relationship between you and TSBA AG and between you and the VENDOR as defined in paragraph 1.1.
- 1.4. The payment processing for your booking is made via TSBA AG. The payment terms are defined in article 4.
- 1.5. For technical questions or to cancel your booking please contact us via email or phone at TSBA AG.

2. Registration / How the contract between you and the VENDOR is made

- 2.1. The trips and other services published on shop.valsurses.ch or are offered by the call-center are non-binding travel suggestions. By booking as "Booked/Paid" you submit to the VENDOR a binding offer to which you are bound for five working days. The VENDOR is free to accept your offer. If the VENDOR accepts your offer, you will receive confirmation from TSBA AG on behalf of the VENDOR.
- 2.2. The contract between you and the VENDOR is concluded upon the unconditional confirmation of your booking by TSBA AG in the name of the VENDOR (together with these present general contract and travel conditions).
- 2.3. If in addition to yourself you book for further participants in the trip, you are liable for their obligations (in particular payment of the travel price) just as you are for your own. These general contract and travel conditions apply to all travel participants.
- 2.4. **No Withdrawal:** In tourism services, in which the details of delivery have been agreed or the services are available for an agreed period, there is no cancellation and no cost-free withdrawal. Should you be entitled to a right of cost-free withdrawal due to certain provisions of law, you are required to renounce this right, to the extent permitted by law.

3. Services and products

- 3.1. The VENDOR provides the information published on shop.valsurses.ch or communicated by the call-center with regard to property, rooms, apartments and other available service(s). The VENDOR keeps this information updated and is solely responsible for the accuracy of the statements made at the time of booking.
- 3.2. The services/products are defined by the terms of reference on the internet and by the confirmation. Special requests on your part or side agreements are only part of the contract if they have been confirmed unreservedly by the VENDOR or by TSBA AG on behalf of the VENDOR.
- 3.3. Descriptions of public transport, tourist attractions and facilities of all kinds, infrastructure, and opening times are purely descriptive in nature and are not binding upon the VENDOR unless they specifically form part of the booking.
- 3.4. If pets are to be taken along by the guest, it is the responsibility of the guest to ascertain and ensure before booking that this pet (with information on its type and size), is allowed.

4. Prices and payment

- 4.1. **Prices:** You can see the prices of the services by viewing the offer published on the Internet or from the confirmation of your booking.
- 4.2. The prices denominated in Swiss francs (SFR) are definitive. Prices in other currencies (for example, as determined by a currency calculator) are provided solely for information purposes and are not binding. Invoices are issued in Swiss francs and are payable in Swiss francs. Credit card charges will also be in Swiss francs. **Bank and credit card fees which may possibly arise due to the exchange of a foreign currency into Swiss francs, and / or due to credit card payment fees, are your responsibility.**
- 4.3. Prices are, unless otherwise noted, inclusive of Swiss VAT.
- 4.4. **Payment processing by TSBA AG:** the collection is carried out according to paragraph 1.4 by TSBA AG. The payment terms are defined in the following paragraphs 4.5 to 4.9
- 4.5. **Payment of hotel services (including hotel packages.):** Your booked services are to be paid for on arrival according to the information in the confirmation. The payment must be made in cash, in Swiss francs. Other means of payment that are accepted are listed on the confirmation or will be made known to you locally. If you do not pay on arrival for the booked services, according to the information in the confirmation, the VENDOR is entitled to refuse the services booked and demand cancellation costs in accordance with Paragraph 5.1. **Your credit card information** will be requested when booking only for security purposes. In case of cancellation of any or all of the travel services or in case of a no-show the cancellation costs (Section 5) are billed to your credit card.
- 4.6. **Payment of holiday apartment services:** Your booked services are to be paid for directly by credit card, when booking or, if this payment option is offered, on account. If the booking date is up to 60 days before departure, half of the total amount is payable as a deposit when finalising the booking. Unless otherwise noted, the balance is due 30 days prior to arrival. In the case of credit card payment the balance of the amount owing will automatically be charged by TSBA AG to the previously submitted credit card 30 days before arrival. For last minute bookings less than 60 days prior to departure, the total amount is payable. For bookings via the Internet shop, the total amount is always due.
- 4.7. **Paying for package deals, extras or vouchers:** Your booked services are to be paid for directly by credit card, PostFinance, PayPal, when booking or, if this payment option is offered, on account.
- 4.8. **Credit card, Post Finance or PayPal payment will not be honored:** If the payment is not honored or revoked with one of these payment methods, the booking will be regarded as canceled and the cancellation costs as per clause 5.1 shall be due for payment
- 4.9. Booking fees for call-center bookings: in case of call-center bookings there will be charged the following additional booking fees: until SFR 199.99 booking fee SFR 10.00, above SFR 200.00 booking fee SFR 20.00

If the down payment or the balance payment is not made in due time, or if the credit card payments are not honoured or are revoked, the benefits can be withheld, the contract can be cancelled, and payment of the cancellation costs can be demanded in accordance with paragraph 5.

5. If you change your registration or your itinerary or if you can not travel (cancellation/withdrawal)

- 5.1. **Cancellation charges:** For changes or cancellations, the following cancellation / withdrawal fees are levied (as a percentage of the price) – unless contrary conditions are stated in the offer published in the Webshop or communicated by the call-center:
Accommodation services and packages:
- | | |
|---|------|
| up to 31 days before departure: | 0% |
| 30 - 16 days before departure: | 50% |
| 15 - 3 days before departure: | 75% |
| 2 - 0 days before departure or no-show: | 100% |

Modifications and changes are treated as a cancellation with a new registration. For changes made while maintaining the already booked VENDOR, the details as per booking, and the main obligations, a processing fee of **50 SFR** will be charged by the VENDOR provided that the change is possible. Otherwise, cancellation costs and cancellation fee apply. When cancellation fees are charged, you still have the right to try to show that the VENDOR suffered no loss or a lesser loss as a result of the cancellation, modification or change in the booked service. The decisive factor for the calculation of the date of invalidation, or rebooking, or modification is the arrival of your declaration at TSBA AG within normal office hours (this also applies to communications by e-mail, via the Internet site, by telephone or other media); for Saturdays, Sundays and public holidays, the next working day (in Surses) is the applicable one. TSBA AG charges a cancellation fee of 60 SFR per cancellation.

- 5.2. **Cancellation insurance / insurance cover for fees for withdrawal of a reservation:** It is recommended that you take out a cancellation insurance policy / insurance cover for fees for withdrawal of reservation. The cost of insurance is not included in the services offered. This cancellation-fee insurance pays for the cancellation / withdrawal costs in certain cases, if the trip is cancelled prior to departure (but does not cover insurance premiums). The benefits are determined by the insurance policy. **Substitute traveller:** If you cancel your trip, you can nominate a replacement member, who may step in and take over the contract on the same terms. If a substitute traveller enters into the contract, you and he together (jointly) are liable for the payment of the total price. TSBA AG or the VENDOR will inform you within a reasonable period whether the designated replacement traveller can participate in the trip (in the high season this can take a few days); for trips with conditions for participation, a review is needed. If you name the replacement traveller too late or if he is unable to participate due to travel requirements, administrative orders, or legal regulations, etc., your withdrawal from the trip is regarded as a cancellation.

6. Changes to services offered, prices, and transportation arrangements

- 6.1. **Changes before signing the contract:** The VENDOR and TSBA AG expressly reserve the right to change information on the Internet, service descriptions, prices, etc., at any time
- 6.2. **Price changes after signing the contract:** Price increases may result from a subsequent increase in transport costs, or from newly introduced or increased state taxes and fees. If the cost of a trip increases, these increases can be passed on to you. The travel price increases accordingly. Such a price increase can take place no later than 3 weeks prior to departure.
- 6.3. **Program and service changes, changes in the transport sector after booking**
The VENDOR reserves in your interest the right to change the itinerary or specific services agreed upon (such as accommodation, transport type, means of transport, etc.), if force majeure, or unforeseeable or unavoidable circumstances require it. The VENDOR will endeavor to offer you equivalent alternative services. The VENDOR will notify you as soon as possible of any such changes and their impact on the price.
- 6.4. **Price increases of more than 10% or significant contractual changes prior to departure**
If the price increase is more than 10 percent or if the program change or the change in the trip is a significant change to the agreed trip, you can withdraw from the contract or take a replacement trip proposed by the VENDOR (if one can be proposed). If you decide to withdraw from the trip, the amount paid will be promptly repaid to you (by recrediting your credit card if you had used that as a payment method).
- 6.5. **Program and service changes during the trip:** If during the trip a program or service change is made that affects a significant proportion of the agreed trip and if no adequate remedial action is taken, the VENDOR will reimburse you for any possible objective reduction in value between the agreed travel price and that of the services actually rendered, insofar as a VENDOR fault applies (for details see Section 10). Should the remedy cause excessive costs or disproportionate expense for the VENDOR or be a case of force majeure, the VENDOR may refuse the remedy. Any additional costs will be borne by the traveller.

7. Trip cancellation by the VENDOR

- 7.1. **Minimum number of participants:** If a minimum number of participants applies to your booked package, you will find this detail stated in the advertised offer. If the minimum number is not reached, the VENDOR may cancel the trip not less than 3 weeks prior to departure. The price paid for the cancelled services will be refunded.
- 7.2. **Force majeure, unforeseeable or unavoidable events, strikes, etc.:** Should unforeseeable or unavoidable events, force majeure (for example, natural disasters, epidemics, riots), weather conditions, official measures or strikes, etc., endanger the journey or make it difficult or impossible, the VENDOR may cancel the trip.

8. If you take the trip, but can not complete it

- 8.1. If you interrupt your trip prematurely, you will not be refunded the price of the booked trip. Extra costs, such as for transportation, etc., are your responsibility. Note in this context also the possibility of taking out a return journey cost insurance policy, which is not included in the trip price.

9. If you have cause to complain about something

- 9.1. **Complaints, complaints period and demands for redress:** If the trip does not match the contractual agreement or if you suffer loss or damage, you must promptly lodge a complaint with the VENDOR about this defects or loss or damage and demand cost-free redress, i.e., on the same day if possible. If the VENDOR is unavailable, please contact the local INFORMATION CENTRE.
- 9.2. The VENDOR or the INFORMATION CENTRE (if the provider is unreachable) on behalf of the VENDOR will endeavor to provide a remedy within a reasonable time. If within a reasonable time no remedy is provided or the provided remedy is not sufficient, you can get the VENDOR or the INFORMATION CENTRE to confirm in writing that you have reported the defects or loss or damage. If contrary to expectations, you reach neither the VENDOR on site, please call TSBA AG directly. The necessary details for doing so are contained in your travel documents. Neither TSBA AG nor the assistants of the VENDOR are authorised to recognise any claims, etc., on behalf of the VENDOR.
- 9.3. **How to make your claim against the VENDOR:** If you want to make claims regarding defects, refunds or compensation, etc., against the VENDOR, you must submit your complaint in writing to the VENDOR within one month after the contractual end of the trip. The confirmation from the VENDOR, TSBA AG and any possible evidence must be enclosed with your complaint.
- 9.4. **Forfeiture of your claims:** If you do not report the deficiencies, loss or damage, etc., in accordance with Paragraphs 9.1 and 9.2, you will lose and forfeit all rights to remedies, personal redress, price reduction, cancellation of the contract and compensation for damages, etc. The same applies if your claim against the VENDOR is not made in writing within a month after the contractual end of the trip.

10. Liability of VENDOR

- 10.1. **In general:** The VENDOR will reimburse you under these general contract and travel conditions for the value agreed, but not for services not rendered or poorly rendered, or for your additional expenses or for the loss suffered, insofar as it was not possible for the VENDOR (or the parties brought in to assist him such as TSBA AG etc.) to provide on the spot an equivalent service or trip as compensation, and insofar as there was negligence on the part of the VENDOR (or the parties brought in to assist him). This is subject to any provisions below and to Section 6.5.
- 10.2. **Limitations of liability, and disclaimers**
- 10.2.1. **International agreements and national laws:** If international treaties and national laws include limitations or exclusions of compensation for damages resulting from non-fulfillment or inappropriate fulfillment of the contract, etc., the VENDOR shall only be liable under these same agreements and laws. This is subject to the provisions of section 10.2.3.
- 10.2.2. **Disclaimers:** The VENDOR will not be liable if the non-fulfillment or improper fulfillment of the contract is attributable to the following:
a) omissions on your part before or during the trip;
b) unforeseeable or unavoidable omissions of a third party who is not involved in the provision of the contracted service;
c) force majeure or to an event which the VENDOR or TSBA AG and their assistants were not able to foresee or forestall.

- 10.2.3. **Liability in the case of package tours:** For package tours under Art. 1 of the Federal Law on package travel, the liability for damages other than personal injury is limited to twice the cost per traveller of the package. This is subject to any deeper limits of liability and disclaimers in applicable international agreements and national laws (see Section 10.2.1) and the disclaimers under Clause 10.2.2.
- 10.2.4. **Liability for other services:** Liability for other services is subject to Paragraphs 10.2.1 and 10.2.2. In all these cases, the VENDOR shall not be liable.
- 10.3. **Events during the trip:** Outside the agreed travel program, local events or excursions might be booked during the trip. It is your own responsibility if you participate in these events and excursions. These events and excursions are organised by third parties (they are third party services). Neither the VENDOR nor TSBA AG is a contractual party to these, and shall in no case be liable.

If a journey from abroad into Switzerland is involved in your trip, or if during your trip there is a foreign trip included, TSBA AG or the VENDOR will inform you about the entry requirements for travellers holding the nationality of your country of residence (the address you specified when booking is the decisive factor for this) provided that you reside in Switzerland, the EFTA or the EU.
